Subject : Application for admission to Nursery for Academic Year 2026 - 2027

Respected Principal,

I, Mr. _____ & Mrs. _____ parents of
Master / Miss _____ wish to apply for the admission of my child in
Nursery for Academic Year 2026 – 2027.

Your admission policy states that “Admission will be granted to the students residing within 2kms.”

I am residing at _____.

I would still like to apply for admission in your school at my own risk knowing that my child may not be granted admission. I know that my child does not fit into your admission criteria and hence if the admission is not granted, I will not hold the school or the management responsible for not getting admission.

I would also like to state that I will not ask for the refund of application form fee.

Thanking you,

Yours sincerely,
