Respected Father,

We are aware that the admission to Don Bosco School & Junior College, Naigaon prefers students residing within 2 kms. We have secured admission in NURSERY (2024 - 2025). We will abide by the following terms and conditions.

1. We will personally bring and take back our ward to and from the school, we will not use any public or external private transport.
2. We will willingly allow and send our child as and when he / she is required for the school academic and extra activities and we as parents will also attend the Parent's Teacher's meeting on regular basis and hence co – operate with the teachers for the welfare of the child. Staying far away will never be an excuse for not attending any meetings.
3. We are also aware that Don Bosco School does not offer any transport facility neither does it takes responsibility for any transport facility arranged by us. We agree to this condition and we also assure that we will not ask the school for any transport or any other arrangements with regards to transport at any given time.
4. We will also enroll ourselves as helping parents and help and support the teachers for all the activities of the school.

I wish to inform you that I will take total responsibility for any eventuality or casualty that would take place during the use of any public or external private transport and not hold the school responsible for it.

Thanking you,

Yours Sincerely,
